Horsburgh & Scott Welcomes Back Valued Employee Ron Wilson rejoins the sales staff as Technical Sales Manager

Cleveland, OH: February 10, 2017 – Horsburgh & Scott has announced that Ron Wilson will rejoin the company as the Technical Sales Manager and his role will involve developing and maintaining OEM and end user customer accounts in Texas, Oklahoma, and Arkansas.

Ron Wilson has over 40 years of experience in the gearing industry and specializes in open gearing, gearbox repair, and gear failure analysis. In his extensive gearing career, Ron has held positions at several gearing companies in the United States: Sales Engineer at The Falk Corporation, Regional Sales Manager at Brad-Foot Gear, and Regional Sales Manager at Merit Gear.

Ron completed a BBS at North Texas University in Denton, Texas.

“We are pleased to have Ron Wilson back with Horsburgh & Scott. Ron will focus on further developing opportunities that he previously started and driving sales growth in his region,” says Nathan Bulcroft, H&S Director of Sales.

About Horsburgh & Scott

Horsburgh & Scott is a worldwide leader in engineering, manufacturing and maintaining gears and gearboxes. The company offers custom mid and large size gearing and preventive maintenance solutions for mining, metals processing, sugar processing, oil and gas drilling, and a wide variety of other industries. It has been in business for over 130 years and has manufacturing operations in the US and sales and service worldwide. For additional information about Horsburgh & Scott:
