Horsburgh & Scott Receives Business Longevity Award from Smart Business for Over 100 Years of Successful Operations

Cleveland, OH: August, 2016 – Horsburgh & Scott received the “Business Longevity” award from Smart Business magazine maintaining a successful business in Northeast Ohio for over a century. Smart Business honored a total of 46 companies ranging from 52 to 149 years in business. At 130 years in business, Horsburgh & Scott is the fifth longest established company of the entire list. Visit <http://www.sbsonline.com/article/129493/#Horsburgh> to read more about this Smart Business honor.

Horsburgh & Scott has come a long way since its establishment in 1886, with over 400,000 square feet of state-of-the-art manufacturing, rebuild and repair, heat treat, and quality control industrial space which takes up an entire block at East 53rd and St Clair Avenue in Cleveland, Ohio. Pushing through the Great Depression, World War II and 130 years of changing times and business, Horsburgh & Scott has evolved, grown, and become an innovative leader in the global gearing industry.

The photo represents Horsburgh & Scott employees who attended the awards ceremony and collectively had more than 500 years of experience in the gearing industry!

About Horsburgh & Scott
