Horsburgh & Scott Announces Eric Chandler as Repair & Service Manager

Cleveland, OH: February 18, 2019 – Horsburgh & Scott has announced that Eric Chandler will return to the company and serve as its Repair & Service Manager. Mr. Chandler has a vast amount of industry experience and is ideally suited to manage this fast-growing segment of the business. In previous roles with the company, he served as Director of Sales, Project Manager and Applications Specialist.

Eric Chandler holds a Technical Management Degree from DeVry University, Illinois, and has completed numerous Senior Leadership Development Programs. He also served 20 years in the United States Navy where he gained valuable experience leading engineering departments in operations, repair, and preventive maintenance on board Navy ships.

Mr. Chandler believes that, “Building a foundation of trust with customers always leads to strong and lasting relationships in which everyone’s goals are accomplished.”

About Horsburgh & Scott

Horsburgh & Scott is a worldwide leader in engineering, manufacturing and maintaining gears and gearboxes. The company offers custom mid and large size gearing and preventive maintenance solutions for mining, metals processing, sugar processing, oil and gas drilling, and a wide variety of other industries. It has been in business for more than 130 years and has manufacturing operations in the US and sales and service support worldwide. For additional information about Horsburgh & Scott:
